

270L EMERALD ALL IN ONE

FEATURES

High efficiency DC inverter technology

R290 hydrocarbon - low Global Warming Potential (GWP)

Stylish design

Wi-Fi enabled for connection to the Emerald app for smart control and easy troubleshooting

Silent mode

Holiday mode

2 years labour warranty and 5 years product warranty

SPECIFICATIONS

MODEL	270L EMERALD ALL IN ONE
Capacity (Litres)	270L
Max Temperature Setting	70° C
Power Input (kW)	0.58 kW
Heating Output (kW)	2.8 kW
Power supply	220V~240V / 50HZ / 60HZ /1phase
Ideal to work with Solar PV	✓
WiFi Control Upgrade	✓
Hydro-Power Booster	✓
Tank Diameter x Heigh (mm)	600mm*600mm*1826mm
Compressor	Highly (Hitachi JV) / DC Inverter / Rotary
Net Weight (kg)	136 kg
Eligible for solar rebate	✓
